CLEVEN VETERANS ON RED SOX TEAM ROM LOWLY BROWNS

That Played in World's Series Games of 1912 Will Face Pat Moran's National League Pennant Winners in Cham-pionship Games to Be Started This Week.

NEW YORK, Oct. 2.—Eleven of the players who helped win the world's series for the Boston Americans from the New York Giants in 1912 will be found among the eligibles on the roster of the Red Sox in the coming series with the Philadelphia Nationals for this year's world's championship. When the opposing teams are lined up the catching corps for the Boston club will be identically the Same as in 1912 and the men, Speaker, Lewis and Hooper, who will take care of the outfield will fill the same positions that they occupied when the Red Sox were returned world's while the locals bunched their hits on McCabe.

champions three years ago.

Changes, hoever, will be marked in the pitching staff and the infield.

Wood and Collins are the only survivors of the twirlers who won the honors in that famous eight game series while Gardner will be the only regular left for the defense of the infield, although former shortstop Wagner will be available in case Barry's indisposition may prevent his playing the second bag.

Snake Eats Glass Eggs

Enters by Knothole, but After Meal is Too Fat to Get -Out.

BALTIMORE, Oct. 2-Snakes that in the past have feasted generously on real eggs in the chicken coop of McGill Belt, who has a farm hear Sugar Loaf mountain, Frederick county, have lately taken to stealing Worcester.

Pennants and world's series are not new to Philadelphia, however, for Connie Mack has won six American League flags and three world's the snakes. the snakes.

The last snake to steal a glass egg entered by the way of a knothole, but could not depart by the same route because the egg protruded so far that its body would not go through the hole. The snake was captured, opened and the egg taken out and placed back in the nest.

CARNEGIE WINS GAME,

PITTSBURG, Pa., Oct 2.—Carnegie Technical Institute football team de-feated Waynesburg college 88 to 0 here today. Tech scored thirteen touchdowns, the ball being sent over the line for the first one, six min-utes after the game started. Seven touchdowns were scored the first half. Waynesburg failed to make a first lown throughout the game.

STOCKHOLDER'S MEETING. There will be a meeting of the stockholders of the West Virginia Baptist
Education Society in the Calvary Baptist church, Parkersburg, West Virginia, on Thursday, October 14, 1818.
All stock should be represented.
M. L. WODD, President.

Will "Smoky Joe" Wood, the Boston twirler who covered himself with glory in the 1912 world's series, be able to repeat in 1915? According to late reports from Boston, Wood is not in very good condition, and may not take a prominent part in the big series.

NEW MACHINE TO

be needed.

The machine which the armers believe all; supplient the harvest hands is propelled by four horses and operated by two men. In size and appearance it resembles a header.

The machines do not head the wheat. They tresh the wheat from the stalk. The straw is left standing

administration will make its appeal to the voters and that the governor, who is a candidate for United States sepator, will stake his all on this plants.

It is now three months since the like foot-and mouth disease among the stock on Illinois farms has spread to the like the like

United States supreme court handed down its decree that West Virginia owed Virginia \$12,000,000 and in the decree and: "The decree will also provide few interest at the rate of five per cent per annum upon the amount awarded until paid."

The most peculiar case of all, how

This interest amounts to about \$1,600 a day. Interest now has been accruing for more than eighty days, and at the present time the additional burden of \$150,000 in interest alone must be paid by the state when the final reckoning comes.

The debt continues to grow at the rate of \$1,800 a day the Virginia debt commission has not been called together to consider the findings of the supreme court and absolutely nothing.

The most pecult ever was report farmer of the other days had the something the mand even the examination and even the examination in the present of the supreme court and absolutely nothing.

supreme court and absolutely nothins It apparently has been done in the matter. for months.

A three year old son of J A Morrison searching for a plaything he had hidden in the dresser drawer, with a torth he had secured from the first set fire to the house at Winslow, and destroyed the home, including \$2,000 in currency, \$2,000 in checks and notes for \$5,000. There was no insurance and Mr. Morrison's only hope for recovery of part of his loss is in the re-issuance of his checks and his ability to collect or enforce the claims for which the notes were executed. Mr. Morrison barely had time to save the child and he was so excited he did not think of the money until it was too late to recover it.

This year's harvest has shown the outside assistance will be necessary, count of rain.

The statue to the memory of Colis P. Huntington, founder of the city of Huntington, will be ready for unveiling to October 1916. The contract-has been let and work will begin on it so that it will be ready for unveiling by next October.

ing by next Octobes.

Mr. and Mrs. Henry P. Huntihgton, the donors, decided to place the status of the famous railroad builder and founder of Huntington upon a pedestal on the lawn north of the Chesspeake and Onio depot. The statue and settings will cost \$20,000.

Cows and several hundred chickens.

Kansans No Dreamers.

What such a machine will mean to Kansas, if its use becomes general, is inestimable. One thing it portends is a certainty. There will no longer be need of the clarion call in the harvestras.

Kansans Abut during the last few years they have seen the necessity of the abolition of harvesters. No get farmers have lost nearly their entire wheat crop as a result of the incendiary working of the abolition of harvesters. No get farmers if the harvest hands coming to the wheat fields all wished to work. But they don't.

A large percentage of them are I. W. W.'s, or, in other words, men who refines virtually outright to help with the wheat cutting. They don't come to help the farmers and themselves but to prove an obstacle in the harvest and in the way of men who refuse virtually outright to belp with the wheat cutting. They don't come to help the farmers and themselves but to prove an obstacle in the harvest and in the way of men who refuse virtually outright to belp with the W. W.'s during harvest, but before it begins. Not being able to determine exactly who will and who will not work the I. W. W.'s get advantage of the bread lines also.

This delays the harvesting for the outling and then break the machines will not work the I. W. W.'s get advantage of the bread lines also.

This delays the harvesting for the outling and then break the machines will not work the I. W. W.'s get advantage of the bread lines also.

With the new combination ma-chines Kansas will have practically all the workers it needs within the state to do the work. No call for
